

Camrose Church of God Recent history profile.

The Camrose Church of God was blessed with the faithful service of a beloved Senior Pastor for 32 years. Many community ministries were pioneered in these years as a result of community minded leadership and congregants. When the previous pastor ended his ministry in 2017 the church was in a period of transition and brought in an interim pastor for 1 year. We used this time to intentionally reflect on our history and the health of our church family. Guided by resources, such as “Healing the Heart of your Church” and Blessing Point Ministries, we identified areas for healing and worked towards reconciliation through repentance and forgiveness. We have been strengthened by this process and we are excited to begin our search for a Lead Pastor to join us in the ministry God calls us to.

The church, at different stages in its journey, has operated with additional pastoral positions of various focusses. Currently we have a Connecting Pastor, who has been serving the church for the past 3 years. In addition, the church is served by an elected leadership team which provides oversight for the congregation and the pastor(s).

The Camrose Church of God family consists of approximately 200 people who would call our church home, with regular Sunday attendance averaging 130. The Church buildings’ location, right in the heart of the City of Camrose, welcomes members of the community as well as visitors to the city.
