For the Adults; What we think about Jesus matters. Our perception of Him shapes us—what we say, how we treat others, even what we think. This 8-session series will take us through the book of Colossians to help us form a clearer picture of Jesus. After all, what we believe about Him influences quite literally everything from our worship, our relationships, our attitudes and our thinking.

Now alive in Christ, we can live a life worthy of God even now instead of falling back into the ways of the world which is driven by fear. Have fun with the study, and if you have problems give me a ring and we can walk together through the steps.

I would also like to encourage you to visit our web site ... as it is easier to see what we are up to www.camrosechurchofgod.ca

Blessings to you all, Manfred
