

Dear Friends,

Once again a new month! This Sunday, September 6th we will be celebrating God's self-giving love and faithfulness through communion together. As we gather online, Church in the home, please plan ahead and gather a few simple items for communion, grape juice and crackers. More important that preparing items is preparing our hearts, I invite you to read in Luke the account of the last supper. (Luke 22: 7 - 13, 14-20)

My blessing for you; that you may:
Experience God's love and care.
Experience answered prayers and guidance.
Live out the redemptive power of God in all your relationships.

Your friend in Christ

Manfred
